PART 1. GENERAL PROVISIONS

R 325.1901 Definitions.

Rule 1. (1) "Act" means 1978 PA 368, MCL 333.1101 et seq.

(2) "Activities of daily living" means activities associated with eating, toileting, bathing, grooming, dressing, transferring, mobility, and medication management.

(3) "Admission policy" means a home's program statement of its purpose, eligibility requirements, and application procedures for admission.

(4) "Assistance" means help provided by a home or an agent or employee of a home to a resident who requires help with activities of daily living.

(5) "Authorized representative" means that person or agency which has been granted written legal authority by a resident to act on behalf of the resident or is the legal guardian of a resident.

(6) "Department" means the Family Independence Agency.

(7) "Director" means the director of the Family Independence Agency.

(8) "Discharge policy" means a home's written statement of the criteria and procedures by which a resident is discharged from the home.

(9) "Distinct part" means, for purposes of MCL 333.20106(3), a clearly identifiable area or section within a licensed home consisting of at least a resident unit, wing, floor, or building containing contiguous rooms providing room and board and supervised personal care and protection to individuals 60 years of age or older. Appropriate personnel are regularly assigned and work in the distinct part under qualified direction. The distinct part may share services, such as management services,

Annual Administrative Code Supplement
2004 Edition

building maintenance, food preparation services, and laundry with a licensed nursing home or other entity.

(10) "Elopement" means a resident is absent without notice for more than a 12 hour period unless otherwise indicated in the resident's service plan.

(11) "Home" means a home for the aged.

(12) "Licensed health care professional" means a professional, such as a medical doctor, doctor of osteopathy, nurse practitioner, physician's assistant, registered nurse, licensed practical nurse, or podiatrist, who is operating within the scope of his or her license as defined in MCL 333.16101 et seq.

(13) "Major building modification" means an alteration of walls that creates a new architectural configuration or revision to the mechanical or electrical systems that significantly revise the design of the system or systems. Normal building maintenance, repair, or replacement with equivalent components are not considered major building modifications. A change in room function shall not cause a conflict with these rules.

(14) "Medication management" means assistance with the administration of a resident's medication as prescribed by a licensed health care professional.

(15) "Program statement" means a written description of the home's overall philosophy and mission reflecting the needs of residents and services provided to residents. A home that represents to the public that it provides residential care or services, or both, to persons with Alzheimer's or a related condition shall include in its program statement the information required by MCL 333.20178.

(16) "Protection" means the continual responsibility of the home to take reasonable action to ensure the health, safety, and well-being of a resident as indicated in the resident's service plan, including protection from physical harm, humiliation, intimidation, and social, moral, financial, and personal exploitation while on the premises, while under the supervision of the home or an agent or employee of the home, or when the resident's service plan states that the resident needs continuous supervision.

(17) "Reportable incident/accident" means an intentional or unintentional event in which a resident suffers harm or is at risk of more than minimal harm, such as, but not limited to, abuse, neglect, exploitation, or unnatural death.

(18) "Resident" means a person who is 60 years of age or older, or a person under the age of 60 who has been admitted through a waiver of the director pursuant to MCL 333.21311(3).

(19) "Resident admission contract" means a written agreement between the home and the resident and/or the resident's authorized representative that specifies the services to be provided, the fees to be charged, including all fees related to admission such as deposits, admission fees, advance care payments, application fees and all other additional fees, and the home's policies related to the admission and retention of a resident.

(20) "Room and board" means the provision of housing and meals to meet the needs of the resident.

(21) "Service plan" means a written statement prepared by the home in cooperation with a resident and/or the resident's authorized representative or agency responsible for a resident's placement, if any, and that identifies the specific care and maintenance, services, and resident activities appropriate for each individual resident's physical, social, and behavioral needs and well-being and the methods of providing the care and services while taking into account the preferences and competency of the resident.

(22) "Supervised personal care" means guidance of or assistance with activities of daily living provided to the resident by a home or an agent or employee of a home.

(23) "Supervision" means guidance of a resident in the activities of daily living, and includes all of the following:

(a) Reminding a resident to maintain his or her medication schedule in accordance with the instructions of the resident's licensed health care professional as authorized by MCL 333.17708.

(b) Reminding a resident of important activities to be carried out.

(c) Assisting a resident in keeping appointments.

(d) Being aware of a resident's general whereabouts as indicated in the resident's service plan, even though the resident may travel independently about the community.

(e) Supporting a resident's personal and social skills.

PART 2. STATE ADMINISTRATION

R 325.1911 License applications; authorized representatives; notices.

Rule 11. (1) An application for a license for a home shall be made on forms authorized and provided by the director and shall be completed in full.

Annual Administrative Code Supplement
2004 Edition

- (2) An application for a license for a home shall be made and signed by the individual desiring to establish, conduct, or maintain a licensed home, or by the authorized representative of any individual, copartnership, corporation, or association including any receiver, trustee, assignee, or similar representative desiring to establish, conduct, or maintain a licensed home.
- (3) An authorized representative shall be authorized by the applicant to do all of the following:
- (a) Make application and amendments to the application
 - (b) Provide the director with all information necessary to make a determination in connection with the issuance of a license.
 - (c) Enter into agreements with the director in connection with the issuance of a license.
- (4) A certificate of appointment or other written evidence of the authority vested in the authorized representative shall be attached to the application.
- (5) In matters relating to the licensing of the home, the director may continue to deal with the authorized representative until the director is notified in writing that a new authorized representative has been appointed with equal power and the former authorized representative is no longer authorized to act.
- (6) The director may use any appropriate means of notice and may direct notices of any administrative action pursuant to licensing of the home to the applicant or the authorized representative, either personally or by certified mail at the address of the establishment or institution.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1912 Licenses and permits; issuance.

- Rule 12. (1) Upon determination that the home complies with the act and these rules, the department shall issue a license.
- (2) The department may issue a nonrenewable temporary permit for not more than 6 months in accordance with MCL 333.20162(2).
- (3) The department may issue a provisional license for not more than 3 consecutive years in accordance with MCL 333.20162(3).
- (4) The maximum number of resident beds authorized for occupancy shall be endorsed on the license, provisional license, or nonrenewable temporary permit.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1913 Licenses and permits; general provisions.

- Rule 13. (1) A license, provisional license, or temporary nonrenewable permit is not transferable between owners, or from one location to another, or from one part of an institution to another.
- (2) The applicant or the authorized representative shall give written notice to the department within 5 business days of any changes in information as submitted in the application pursuant to which a license, provisional license, or temporary nonrenewable permit has been issued.
- (3) The number of residents cared for in a home and the complement of resident beds shall not exceed the number authorized by the license, provisional license, or temporary nonrenewable permit.
- (4) The current license, provisional license, or temporary nonrenewable permit shall be posted in a conspicuous public area of the home.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1914 Administrative actions.

- Rule 14. (1) Orders and notices of intended action regarding licensure that are issued by the department against a home or applicant shall be in writing, and shall include all of the following:
- (a) The nature of the action or intended action by the department.
 - (b) A brief statement of the facts on which the department action or intended action is based.
 - (c) The legal authority and jurisdiction for the action or intended action.
 - (d) A reference to the applicable sections of the act and rules.
 - (e) A statement regarding any rights to a hearing that are provided by the act or R 325.1915.
 - (f) Any written requirement and deadline for response from the home or applicant to the administrative action.
- (2) Orders and notices of intended action shall be served on the home or applicant personally or by certified mail.
- (3) Failure of the home or applicant to respond to an order or a notice within 30 days shall constitute a default.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1915 Hearing procedures.

- Rule 15. (1) This rule applies to hearings that are required by MCL 333.20162, 333.20165, 333.20166, and 333.20168.
- (2) Unless otherwise provided by the act, the procedures for hearing shall comply with sections 71 to 92 of 1969 PA 306, MCL 24.271 to 24.292.

Annual Administrative Code Supplement
2004 Edition

(3) If a hearing is required, then the home or applicant shall be notified in writing of the date, hour, place, and nature of the hearing. Unless otherwise specified in the notice, the hearing shall be held at the offices of the department in Lansing, Michigan.

(4) A hearing date shall be scheduled in accordance with the timeframes set out in MCL 333.20162, 333.20165, 333.20166, and 333.20168 as follows:

(a) Under MCL 333.20162 and 333.20168, an opportunity for a hearing on a compliance order or on an emergency order limiting, suspending, or revoking the license of the home shall be provided to the home within 5 working days of issuance of the department's order.

(b) Under MCL 333.20165 and 333.20166, the date set for an opportunity for a hearing on a notice of intent to deny, limit, suspend, or revoke a license shall be at least 30 days from the date of service of the action on the home or applicant.

(c) The date set for an opportunity for a hearing on a department order imposing an administrative fine on a home under MCL 333.20165(1) shall be at least 30 days from the date of service of the order on the home.

(5) The presiding officer may grant a request for an adjournment of a hearing for good cause. Unless provided otherwise by the act or these rules, an adjournment does not suspend the effective date of the department's order, including the effective date of a compliance order issued under MCL 333.20168, or an emergency order issued under MCL 333.20168 to limit, suspend, or revoke a home's license.

(6) Absent an adjournment, a home or applicant that fails to appear at a contested case hearing after proper service of notice waives the right to an administrative hearing on the department's order and any other review to which the home or applicant may be entitled. In such case, a default shall be entered, and the department's order or notice of intended action shall become final.

History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1916 Prohibited use of "state approved" and "hospital."

Rule 16. (1) The home shall not use "state approved" or words having a similar meaning unless the home is operating under a current license.

(2) The home shall not use "hospital" or words having a similar meaning.

(3) The home shall not use "nursing home" or words having a similar meaning.

History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1917 Compliance with other laws, codes, and ordinances.

Rule 17. (1) A home shall comply with all applicable laws and shall furnish such evidence as the director shall require to show compliance with all local laws, codes, and ordinances.

(2) A home shall comply with the department's health care facility fire safety rules being R 29.1801 to R 29.1861 of the Michigan Administrative Code.

PART 3. ADMINISTRATIVE MANAGEMENT OF HOMES

R 325.1921 Governing bodies, administrators, and supervisors.

Rule 21. (1) The owner, operator, and governing body of a home shall do all of the following:

(a) Assume full legal responsibility for the overall conduct and operation of the home.

(b) Assure that the home maintains an organized program to provide room and board, protection, supervision, assistance, and supervised personal care for its residents.

(c) Assure the availability of emergency medical care required by a resident.

(d) Appoint a competent administrator who is responsible for operating the home in accordance with the established policies of the home.

(2) An administrator shall meet all of the following requirements:

(a) Be at least 18 years old.

(b) Have education, training, and/or experience related to the population served by the home.

(c) Be capable of assuring program planning, development, and implementation of services to residents consistent with the home's program statement and in accordance with the residents' service plan and agreements.

(3) A licensee who meets the qualifications of an administrator may serve as an administrator.

History: 2004 MR 12, Eff. Aug. 1, 2004.

Annual Administrative Code Supplement
2004 Edition

R 325.1922 Admission and retention of residents.

Rule 22. (1) A home shall have a written resident admission contract, program statement, admission and discharge policy and a resident's service plan for each resident.

(2) The admission policy shall specify all of the following:

(a) That at the time of admission, the home shall document the needs of each individual seeking admission. The documented needs shall be used to develop the resident's service plan.

(b) That a home shall not accept an individual seeking admission unless the individual's needs can be adequately and appropriately met within the scope of the home's program statement.

(c) That the individual seeking admission and his or her authorized representative, if any, shall participate in the development of the individual's service plan.

(d) The home's policy governing the annual screening of residents for tuberculosis.

(3) At the time of an individual's admission, a home or the home's designee shall complete a written resident admission contract between the resident and/or the resident's authorized representative, if any, and the home. The resident admission contract shall, at a minimum, specify all of the following:

(a) That the home shall provide room, board, protection, supervision, assistance, and supervised personal care consistent with the resident's service plan.

(b) The services to be provided and the fees for the services.

(c) The notice to be provided by the home to the resident and/or the resident's authorized representative, if any, upon any change in fees.

(d) The transportation services that are provided, if any, and the fees for those services.

(e) The home's admission and discharge policy.

(f) The home's refund policy.

(g) The resident's rights and responsibilities, which shall include those rights and responsibilities specified in MCL 33.20201(2) and (3) and MCL 333.20202.

(4) If there is a change in a term or condition in the written resident admission contract, then the home or home's designee shall review the change with the resident and the resident's authorized representative, if any.

(5) A home shall update each resident's service plan at least annually or if there is a significant change in the resident's care needs. Changes shall be communicated to the resident and his or her authorized representative, if any.

(6) A home shall require an individual who, at the time of admission, is under the care of a licensed health care professional for ongoing treatments or prescription medications that require the home's intervention or oversight, to provide a written statement from that licensed health care professional completed within the 90-day period before the individual's admission to the home. The statement shall list those treatments or medications for the purpose of developing and implementing the resident's service plan. If this statement is not available at the time of an emergency admission, then the home shall require that the statement be obtained not later than 30 days after admission.

(7) An individual admitted to residence in the home shall have evidence of tuberculosis screening on record in the home which consists of an intradermal skin test, chest x-ray, or other methods recommended by the local health authority performed within 12 months before admission.

(8) A home shall not retain a resident if the resident has harmed himself or herself or others, or has demonstrated behaviors that pose a risk of serious harm to himself or herself or others, unless the home has the capacity to manage the resident's behavior.

(9) A home shall not admit a resident who requires continuous nursing care services of the kind normally provided in a nursing home as specified in MCL 333.21711(3) and MCL 333.21715(2).

(10) A home shall not retain a resident who requires continuous nursing care services of any kind normally provided in a nursing home as specified in MCL 333.21711(3) and MCL 333.21715(2) unless the home meets the provisions of MCL 333.21325, or the individual is enrolled in and receiving services from a licensed hospice program or a home health agency.

(11) In accordance with MCL 333.20201(3)(e), a home's discharge policy shall specify that a home for the aged resident may be transferred or discharged for any of the following reasons:

(a) Medical reasons.

(b) His or her welfare or that of other residents.

(c) For nonpayment of his or her stay.

(d) Transfer or discharge sought by resident or authorized representative.

(12) The reason for transfer or discharge shall be documented in the resident record.

(13) A home shall provide a resident and his or her authorized representative, if any, and the agency responsible for the resident's placement, if any, with a 30-day written notice before discharge from the home. The written notice shall consist of all of the following:

Annual Administrative Code Supplement
2004 Edition

- (a) The reasons for discharge.
 - (b) The effective date of the discharge.
 - (c) A statement notifying the resident of the right to file a complaint with the department. The provisions of this subrule do not preclude a home from providing other legal notice as required by law.
 - (14) If the department finds that the resident was discharged in violation of these rules or the home's discharge policy, then the resident may return to the first available bed in the home that can meet the resident's needs as identified in the resident's service plan.
 - (15) A home may discharge a resident before the 30-day notice if the home has determined and documented that either, or both, of the following exist:
 - (a) Substantial risk to the resident due to the inability of the home to meet the resident's needs or due to the inability of the home to assure the safety and well-being of the resident, other residents, visitors, or staff of the home.
 - (b) A substantial risk or an occurrence of the destruction of property.
 - (16) A home that proposes to discharge a resident for any of the reasons listed in subrule (13) of this rule shall take all of the following steps before discharging the resident:
 - (a) The home shall notify the resident, the resident's authorized representative, if any, and the agency responsible for the resident's placement, if any, not less than 24 hours before discharge. The notice shall be verbal and issued in writing. The notice of discharge shall include all of the following information:
 - (i) The reason for the proposed discharge, including the specific nature of the substantial risk.
 - (ii) The alternatives to discharge that have been attempted by the home, if any.
 - (iii) The location to which the resident will be discharged.
 - (iv) The right of the resident to file a complaint with the department.
 - (b) The department and adult protective services shall be notified not less than 24 hours before discharge in the event of either of the following:
 - (i) A resident does not have an authorized representative or an agency responsible for the residents placement.
 - (ii) The resident does not have a subsequent placement.
 - (c) The notice to the department and adult protective services shall include all of the following information:
 - (i) The reason for the proposed discharge, including the specific nature of the substantial risk.
 - (ii) The alternatives to discharge that have been attempted by the home, if any.
 - (iii) The location to which the resident will be discharged, if known.
 - (d) If the department finds that the resident was improperly discharged, then the resident may return to the first available bed in the home that can meet the resident's needs as identified in the resident's service plan.
 - (e) The resident shall not be discharged until a subsequent setting that meets the resident's immediate needs is located.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1923 Employee's health.

- Rule 23. (1) A person on duty in the home shall be in good health. Files shall be maintained containing evidence of adequate health, such as results of examinations by a qualified health care professional and tuberculosis screening which consists of an intradermal skin test or chest x-rays, or other methods recommended by the local health authority. Records of accidents or illnesses occurring while on duty that place others at risk shall be maintained in the employee's file.
- (2) A home shall provide annual tuberculosis screening at no cost for its employees. New employees shall be screened within 10 days of hire and before occupational exposure. The screening shall consist of intradermal skin test, chest x-ray, or other methods as recommended by the local health authority.
- (3) Employees with past documented positive tuberculosis skin test results or who have received treatment for tuberculosis are exempt from the tuberculosis skin test, but shall be screened annually for active symptoms of tuberculosis and the need for evaluation by a qualified health care professional to determine if symptoms of tuberculosis have developed.
- (4) Tuberculosis skin tests, as well as post-exposure follow-up and treatment evaluations, shall be offered at no cost to the employees at times and locations convenient to the employees. A qualified health care professional shall perform the reading and interpretation of the tuberculosis skin test.
- History: 2004 MR 12, Eff. Aug. 1, 2004.

R 325.1924 Reporting of incidents, accidents, elopement.

- Rule 24. (1) The home shall complete a report of all reportable incidents, accidents, and elopements. The incident/accident report shall contain all of the following information:
- (a) The name of the person or persons involved in the incident/accident.
 - (b) The date, hour, location, and a narrative description of the facts about the incident/accident which indicates its cause, if known.

Annual Administrative Code Supplement
2004 Edition

- (c) The effect of the incident/accident on the person who was involved, the extent of the injuries, if known, and if medical treatment was sought from a qualified health care professional.
 - (d) Written documentation of the individuals notified of the incident/accident, along with the time and date.
 - (e) The corrective measures taken to prevent future incidents/accidents from occurring.
 - (2) The original incident/accident report shall be maintained in the home for not less than 2 years.
 - (3) The home shall report an incident/accident to the department within 48 hours of the occurrence. The incident or accident shall be immediately reported verbally or in writing to the resident's authorized representative, if any, and the resident's physician.
 - (4) If an elopement occurs, then the home shall make a reasonable attempt to locate the resident and contact the resident's authorized representative, if any. If the resident is not located, the home shall do both of the following:
 - (a) Contact the local police authority.
 - (b) Notify the department within 24 hours of the elopement.

OFFICE OF THE STATE REGISTRAR AND
CENTER FOR HEALTH STATISTICS
CANCER REPORTING

R 325.9050 Registry.

Rule 9050.(1) The department shall establish a registry to record cases of cancer and other specified tumorous and precancerous diseases that occur in the state. The registry shall include information concerning these cases as the department considers necessary and appropriate to conduct epidemiologic surveys of cancer and cancer-related diseases in the state.

(2) Each diagnosed case of cancer and other specified tumorous and precancerous diseases shall be reported to the department pursuant to subrule (4) of this rule, or reported to a cancer reporting registry if the cancer reporting registry meets standards established pursuant to subrule (4) of this rule to ensure the accuracy and completeness of the reported information. A person or facility required to report a diagnosis pursuant to subrule (4) of this rule may elect to report the diagnosis to the state through an existing cancer registry only if the registry meets minimum reporting standards established by the department.

(3) The department shall maintain comprehensive records of all reports submitted pursuant to this rule. These reports shall be subject to the same requirements of confidentiality as provided in section 2631 of 1978 PA 368, MCL 333.2619 for data or records concerning medical research projects.

(4) The director shall provide for all of the following:

(a) A list of tumorous and precancerous disease other than cancer to be reported pursuant to subrule (2) of this rule.

(b) The quality and manner in which the cases and other information described in subrule (1) of this rule are reported to the department.

(c) The terms and conditions under which records disclosing the name and medical condition of a specific individual and kept pursuant to this rule are released by the department.

(5) This rule does not require an individual to submit to medical or department examination or supervision.

(6) The department may contract for the collection and analysis of, and research related to, the epidemiologic data required by this rule.

(7) Within 2 years after the effective date of these rules, the department shall begin evaluating the reports collected pursuant to subrule (2) of this rule. The department shall publish and make available to the public reports summarizing the information collected. The first summary report shall be published not later than 180 days after the end of the first 2 full calendar years after the effective date of this rule. Subsequent annual summary reports shall be made on a full calendar year basis and published not later than 180 days after the end of each calendar year.

(8) Reporting pursuant to subrule (2) of this rule shall begin the next calendar year after the effective date of this rule.

History: 2004 MR 14, Eff. July 23, 2004.

R 325.9051 Definitions.

Rule 9051. (1) As used in these rules:

(a) "Primary brain-related tumor" means a primary tumor, whether malignant or benign, of the brain, meninges, spinal cord, cauda equina, a cranial nerve or nerves, or any part of the central nervous system or of the pituitary gland, pineal gland, or craniopharyngeal gland.

(b) "Cancer" means all diagnosis with a behavior code of 2 (carcinoma in situ) or 3 (malignant primary site) as listed in the publication entitled "International Classification of Diseases for Oncology," 1976, excluding basal, epithelial, papillary, and

squamous cell carcinomas of the skin, but including carcinomas of skin of the vagina, prepuce, clitoris, vulva, labia, penis, and scrotum.

(c) "Department" means the department of community health.

(2) The terms "clinical laboratory" and "hospital," as defined in sections 20104 and 20106, respectively, of 1978 PA 368 and MCL 333.20106 have the same meanings when used in these rules.

History: 1985 MR 4, Eff. May 2, 1985; 2004 MR 14, Eff. July 23, 2004.

R 325.9052 Reportable diagnoses.

Rule 9052. (1) Cancer diagnoses, diagnoses of benign brain-related tumors and any tumorous and precancerous diseases otherwise required to be reported by state or federal law shall be reported to the department in a manner consistent with these rules and procedures issued by the department.

(2) Diagnoses shall be reported by all hospitals and clinical laboratories.

(3) A hospital or clinical laboratory may elect to report cases through a hospital or regional cancer registry that meets the rules set by the department.

(4) Reports shall be submitted within 180 days of a diagnosis on a form prescribed or approved by the department, except for reports forwarded on electronic media.

(5) Reports submitted on electronic media shall meet data quality, format, and timeliness standards prescribed by the department.

DIVISION OF CHILD HEALTH
VISION SCREENING AND TESTING

R 325.13091 Definitions.

Rule 1. (1) As used in these rules:

(a) "Clinic" means a place where vision screening is done, such as a school, a nursery, or a local health department facility.

(b) "Code" means 1978 PA 368, MCL 333.1101 et seq.

(c) "Screening" means the overall procedure which employs a number of tests designed to determine if an individual should be referred for a professional eye examination.

(d) "Test" means an individual specific procedure used to determine if an individual should be referred for a professional eye examination.

(2) The terms defined in the code have the same meaning when used in these rules.

History: 1979 ACS 5, Eff. Mar. 5, 1981; 2004 MR 10, Eff. June 1, 2004.

R 325.13092 Vision tests.

Rule 2. (1) Vision tests of preschool children who have not yet registered for the first time in school shall include tests for monocular and binocular visual acuity and for eye muscle function.

(2) Vision tests for school-age children shall include tests for monocular visual acuity and for eye muscle function.

(3) The procedures used in vision screening and testing shall be approved by the department.

History: 1979 ACS 5, Eff. Mar. 5, 1981; 2004 MR 10, Eff. June 1, 2004.

DIVISION OF OCCUPATIONAL HEALTH
CLASS IV DRY CLEANING ESTABLISHMENTS

PART 1. GENERAL PROVISIONS

R 325.17101 Scope and applicability.

Rule 101. These rules apply to owners, operators, manufacturers, distributors, sellers, lessors, installers, assemblers, and other persons who possess or control dry cleaning equipment utilizing class I, II, III, and IV solvents in this state.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17102 Definitions.

Rule 102. (1) As used in these rules:

- (a) "Application" means a form and applicable fees submitted to the department by an owner or operator of a type I, II, III, and IV establishment, which provides information about the establishment and requests licensure thereof.
 - (b) "Class I solvents" are liquids having a flashpoint below 100 degrees Fahrenheit (37.8 degrees Centigrade).
 - (c) "Class II solvents" are liquids having a flashpoint at or above 100 degrees Fahrenheit (37.8 degrees Centigrade) and below 140 degrees Fahrenheit (60 degrees Centigrade).
 - (d) "Class IIIA solvents" are liquids having a flashpoint at or above 140 degrees Fahrenheit (60 degrees Centigrade) and below 200 degrees Fahrenheit (93.4 degrees Centigrade).
 - (e) "Class IIIB solvents" are liquids classified as having a flashpoint above 200 degrees Fahrenheit (93.4 degrees Centigrade).
 - (f) "Class IV solvents" are liquids classified as nonflammable.
 - (g) "Department" means the department of environmental quality.
 - (h) "Director" means the director of the department or his or her authorized representative.
 - (i) "Dry cleaning establishment" means machines, equipment, controls, connections, rooms, buildings, or fixtures which are associated with the dry cleaning process utilizing a class I, II, III, or IV solvent and the premises upon which they are located.
 - (j) "Dry cleaning machine" means a device in which wearing apparel, textiles, fabrics and rugs, are immersed in a solution other than water and agitated for the purpose of removal of dirt or soil.
 - (k) "Dry cleaning machine room" means a room in which the dry cleaning operations are conducted, including all additional areas containing solvent or solvent handling equipment in which dry cleaning solvents or vapors may accumulate.
 - (l) "Dry cleaning system" means any equipment such as washers, dryers, filters, stills, vapor recovery units, waste water vaporizers, and storage tanks which contain a cleaning solvent.
 - (m) "Emergency" means that, in the judgment of the director, there is a violation of the public health code or these rules which causes or may cause a condition at a type IV establishment requiring immediate action to prevent endangering the health or safety of a person or persons or a violation of the fire protection code or these rules which causes or may cause a condition at a type I, II, or III establishment requiring immediate action to prevent endangering the health or safety of a person or persons from the risk of a fire or explosion.
 - (n) "Fire prevention code" means section 5i of 1941 PA 207, MCL 29.1 to 29.34.
 - (o) "Licensee" means the owner of a dry cleaning establishment that has been issued a license or certificate.
 - (p) "Make-up air" means outdoor air that replaces establishment air which is exhausted to the outside by a ventilation system.
 - (q) "Modification" means a conversion, alteration, or change in the design, operation, or location of the equipment or a change in the class of solvent utilized at the dry cleaning establishment, including, but not limited to, dry cleaning equipment, fuel-fired equipment, ventilation equipment, and the building structure, or any of the items listed in R 335.17203. A modification does not include routine maintenance.
 - (r) "Plans and specifications" means drawings, specifications, data, and a true description or representation of a type I, II, III, and IV installation, or a component thereof, as it exists or is to be constructed, installed, modified, converted, or remodeled.
 - (s) "Public health code" means part 133 of article 12 of 1978 PA 368, MCL 333.13301 to 333.13325, and only applies to type IV dry cleaning establishments.
 - (t) "Public laundry" means a business where the public may launder wearing apparel, textiles, fabrics, and rugs by immersion in water.
 - (u) "Type I establishment" is an establishment utilizing a class I solvent.
 - (v) "Type II establishment" is an establishment utilizing a class II solvent.
 - (w) "Type III establishment" is an establishment utilizing a class IIIA or class IIIB solvent.
 - (x) "Type IV establishment" is an establishment utilizing a class IV solvent.
- (2) The terms defined in the public health code and the fire prevention code have the same meaning when used in these rules.

Annual Administrative Code Supplement
2004 Edition

Rule 109. (1) An owner, operator, or employee of a type IV dry cleaning establishment shall maintain all dry cleaning operations and equipment to prevent threats or hazards to the public health and safety. An owner, operator, or employee of a type I, II or III dry cleaning establishment shall maintain all dry cleaning operations and equipment to prevent threats to the health or safety of a person or persons by preventing the risk of a fire or explosion from occurring.

(2) If a condition or incident presents a threat or hazard as defined in R 325.17109(1), then the owner or operator of a dry cleaning establishment shall immediately initiate corrective actions and notify the department by not later than the next business day upon learning of the condition or incident. Within 30 days after the condition or incident, the owner or operator shall file a written report with the department outlining, in detail, discovery of the condition or incident, the cause, and the corrective actions taken.

R 325.17202 Submission of plans and specifications for construction or modification of dry cleaning establishment.

Rule 202. Before construction or modification of any dry cleaning establishment, or portion thereof, plans and specifications shall be submitted to the department by the owner, operator, or a designated agent for review and approval and shall meet all of the following requirements:

(a) Be accompanied with a transmittal letter and a completed license application form as prescribed and provided by the department. The transmittal letter shall identify and summarize the plans and specifications for the project and indicate the authorization of any designated agent for the owner or operator.

(b) Be accompanied with the appropriate fee prescribed by the public health code for type IV dry cleaning establishments or the fire prevention code for type I, II or III dry cleaning establishments and made payable to "state of Michigan."

(c) Be accompanied with proof of approval from the local governmental authority either by a form provided by the department or a building permit.

R 325.17203 Construction details for plans and specifications; modifications.

Rule 203. (1) Plans and specifications for a new dry cleaning establishment or modification of an existing dry cleaning establishment that are submitted to the department for approval shall include, at a minimum, the items specified in section 13303 of the public health code and all of the following, where applicable:

(a) Site plan.

(b) Structural design.

(c) Construction materials.

(d) Construction and installation schedules and methods.

(e) Water supply, waste water disposal, and floor drains.

(f) Garbage and rubbish disposal facilities.

(g) Ventilation and make-up air equipment, location, and airflow direction.

(h) High-pressure steam boilers.

(i) Water and space heating equipment.

(j) Btu/hr. input ratings.

(k) Type and model of proposed equipment.

(l) Location, size, and type of combustion air openings.

(m) Fire protection systems.

(n) Permanently installed storage tanks.

(2) Plans and specifications of a modification of an existing dry cleaning establishment submitted for approval shall show both the proposed modifications and the pertinent existing facilities.

Rule 203a. Compliance with these rules does not relieve an owner from complying with a state or local code or requirement that is not in conflict with these rules.

History: 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17204 Review of plans and specifications by department.

Rule 204. (1) Upon receipt of the transmittal letter, plans, and specifications, license or certificate application, appropriate fee, and proof of local approval, the department shall review the documents as soon as practical to determine their completeness with regard to the minimum requirements specified by these rules and to determine their adequacy. In making its review, the department shall not approve the plans and specifications for a type IV establishment unless it determines the dry cleaning establishment, or a portion thereof, is designed to protect the health or safety of a person or persons. The department shall not approve the plans and specifications for a type I, II or III establishment unless it determines the dry cleaning establishment, or a portion thereof, is designed to protect the health or safety of a person or persons by preventing the risk of a fire or explosion from occurring.

(2) If the department determines that plans and specifications or other pertinent information are incomplete, inaccurate, or do not comply with these rules, it shall notify the applicant and may request the submission of revised plans and specifications with appropriate corrections or additions. The department shall not initiate the approval process under this part until the completed license or certificate application form and appropriate fee are received as well as the plans, specifications, and proof of local approval that comply with the public health code for type IV establishments or the fire prevention code for type I, II or III establishments and these rules.

R 325.17205 Approval of plans and specifications; authorization for construction, installation, or modification of establishment.

Rule 205. (1) Upon a determination that provisions of R 325.17204(1) are met and the plans and specifications for the construction, installation, or modification of a dry cleaning establishment, or portion thereof, are complete and in compliance with the public health code for type IV establishments or the fire prevention code for type I, II or III establishments, and these rules, the department shall mark the plans or drawings showing approval and the date of approval, shall notify the owner, operator, or designated agent thereof of the approval, and shall authorize construction, installation, or modification of the dry cleaning establishment.

(2) The approval of plans and specifications and authorization for construction, installation, or modification of a dry cleaning establishment by the department pursuant to the public health code, for a type IV establishment, or the fire prevention code, for a type I, II or III establishment, and these rules shall expire within 1 year from the date of approval, unless the owner, operator, or designated agent of the dry cleaning establishment applies in writing to the department for an extension of the approval and construction authorization before its expiration. The request for extension shall identify the project for which the approval was issued and the reason for the delay in construction or initiation of the project. If an extension is granted, the department may require modification of the plans and specifications to incorporate updated dry cleaning practices where applicable.

R 325.17208 Deviations from approved plans and specifications; minor changes not affecting installation or operation; as-built plans.

Rule 208. (1) Deviations from approved plans and specifications in the installation or operation of a dry cleaning establishment, or portion thereof, shall be submitted in writing to the department, before construction, installation, or modification is initiated.

(2) Changes in the construction, installation or modification of the dry cleaning establishment that do not affect the health or safety of a person or persons at a type IV establishment or that do not affect the health or safety of a person or persons at a type I, II or III establishment from fire or explosion shall be allowed without first obtaining approval from the department.

(3) As-built plans that clearly show the work as constructed or installed shall be submitted to the department upon request.

R 325.17209 Approval and authorization; rescission; orders to stop construction.

Rule 209. (1) The department may rescind its approval of plans and specifications and authorization for construction, installation, or modification of a dry cleaning establishment, if it determines that the owner, operator, or designated agent is not undertaking the work substantially in accordance with approved plans and specifications. The department shall notify the owner, operator, or designated agent before the rescission of authorization, shall afford him or her the opportunity to take any corrective action as may be required, and may pursue further remedies as authorized by the public health code or the fire prevention code and these rules.

(2) If an owner, operator, or designated agent of a dry cleaning establishment fails to submit plans and specifications for the construction, installation, or modification of the establishment; fails to construct, install, or modify a dry cleaning establishment in accordance with approved plans and specifications; or fails to take corrective actions as required under subrule (1) of this rule, then the department may issue a written stop work order to the owner, operator, or designated agent to halt any construction, installation, or modification activities and may pursue other remedies as provided by the public health code or the fire prevention code.

R 325.17210 Inspection of dry cleaning establishment.

Rule 210. (1) When the construction of a new dry cleaning establishment is completed, the owner, operator, or designated agent shall notify the department and arrange for an inspection of the establishment. The owner, operator, or designated agent shall not operate the dry cleaning establishment until an approved inspection is completed and is in compliance with part 3 of these rules.

(2) When a modification of an existing dry cleaning establishment is completed, the owner, operator, or designated agent shall notify the department for approval. The department shall determine if an on-site inspection is necessary.

R 325.17211 Storage tank installation, operation, and closure plan review and approval.

Rule 211. The owner of a dry cleaning establishment shall obtain department approval for the installation, operation and closure of dry cleaning liquid storage tanks as follows:

(a) A copy of the plans and specifications shall be submitted to the storage tank unit of the waste and hazardous materials division of the department for inside and outside above-ground storage tanks that exceed 1,100 gallons in capacity for class I, II and IIIA solvents. These plans and specifications shall be reviewed for compliance with the fire prevention code and R 29.5209 et seq.

(b) A copy of the plans and specifications shall be submitted to the storage tank unit of the waste and hazardous materials division for underground tanks that meet the requirements of part 211 of 1994 PA 451, MCL 324.21101. These plans and specifications shall be reviewed for compliance with part 211 of 1994 PA 451, MCL 324.21101, and R 29.2113 et seq.

PART 3. LICENSURE

R 325.17301 Applications for initial licenses; required information; fees; local approval.

Rule 301. A completed license application form for an initial type I, II, III, or IV license and the applicable fee prescribed by R 325.17302 shall be submitted to the department. At the time an initial license application is submitted to the department, the owner or operator of a dry cleaning establishment shall provide satisfactory evidence of local approval of the establishment. Evidence of local approval shall accompany the license application form. The initial license application and local approval forms shall be obtained from the department.

History: 1979 ACS 6, Eff. May 8, 1981; 1987 MR 7, Eff. July 29, 1987; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17302 License applications; fees.

Rule 302. (1) The owner or operator of a type I, II and/or III dry cleaning establishment shall submit the fee prescribed in section 5i of the fire prevention code together with the application.

(2) The owner or operator of a type IV dry cleaning establishment shall submit the fee prescribed in section 13306 of the public health code together with the application.

(3) Payment of the license application fee shall be by check or money order made payable to: "state of Michigan."

(4) A dry cleaning establishment shall not be operated without a license issued pursuant to the public health code for type IV establishments or a certificate issued pursuant to the fire prevention code for type I, II or III establishments.

R 325.17303 Application for annual license renewal; expiration.

Rule 303. (1) An application for an annual renewal license for a dry cleaning establishment shall be made by the owner or operator of the establishment on forms provided by the department. The renewal application shall include all of the information required on the form, the signature of the owner or operator, and any other information which may be required by the department. Renewal license application forms shall be obtained from the department.

(2) A dry cleaning establishment license shall expire on December 31 of each year.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17304 Review of initial license application; pre-licensing inspection; issuance of license.

Rule 304. (1) The department shall promptly review an application for initial licensure of a dry cleaning establishment to determine if the application is complete and accurate. The department may return an incomplete or inaccurate application to an owner or operator or may request any additional information determined necessary to assure completeness or accuracy of the application.

(2) After the department determines that an application for licensure is complete and accurate, it shall inspect the dry cleaning establishment to determine compliance with the public health code for type IV establishments or the fire prevention code for type I, II or III establishments and these rules. The inspection shall be conducted by the department before issuance or denial of the initial license.

(3) The department may attach any condition or restriction to an initial license, under subrule (1) of this rule, when determined necessary for compliance with the public health code for type IV establishments or the fire protection code for type I, II or III establishments.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17305 Renewal of license; denial or revocation; conditions or restrictions.

Rule 305. (1) After review of a renewal license application for a dry cleaning establishment and the latest annual inspection by the department under R 325.17304(2), the department shall issue or deny the license renewal. The license, if issued, shall be sent directly to the owner or operator of the dry cleaning establishment.

(2) The department may attach any condition or restriction to a renewal license, issued or renewed pursuant to subrule (1) of this rule when determined necessary for compliance with the public health code for type IV establishments or the fire prevention code for type I, II or III establishments.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17306 Suspension and revocation of license.

Rule 306. (1) If the department determines that a type IV dry cleaning establishment is not being operated in accordance with the requirements of the public health code and these rules or that a type I, II or III dry cleaning establishment is not being operated in accordance with the requirements of the fire prevention code and these rules, then the department shall notify the licensee and shall provide an opportunity for the licensee to take corrective action. If the licensee does not effect the corrections within the time prescribed by the department, the department may suspend, revoke, or deny the license of the establishment. Procedures for the suspension or revocation of a license shall be in accordance with, and subject to, part 10 of these rules.

(2) If a license is suspended, revoked, or denied by the department, then the owner or operator of the dry cleaning establishment shall cease all dry cleaning operations until the expiration of the period of suspension or reinstatement of the license, whichever is applicable.

(3) This rule does not apply to emergency procedures as prescribed by subsection (3) of section 13321 of the public health code.

R 325.17307 Removal of suspension and reinstatement of license.

Rule 307. A person whose license has been suspended by the department may, at any time, request the department to inspect the dry cleaning establishment for the purpose of reinstatement of the license. Based upon its inspection, if the department determines that the owner or operator of the establishment has taken steps to correct the violations or conditions prompting the suspension of the license and determines that a type IV establishment will be operated in compliance with the public health code and these rules, or that a type I, II or III establishment will be operated in compliance with the fire prevention code, these rules, and other applicable state laws, then the department shall reinstate the license. An owner or operator whose license has been suspended may apply for a new license in the same manner as an initial applicant.

R 325.17308 Transfer of ownership or operation; application for license after construction, installation, or modification of establishment.

Rule 308. (1) Before the transfer of ownership or operation of a dry cleaning establishment, the proposed licensee shall notify the department in writing, submit a completed application for a new license accompanied with the appropriate fee, and arrange for the department to conduct an inspection of the dry cleaning establishment. The department shall conduct an inspection of the dry cleaning establishment and shall notify the owner or operator in writing of its findings, and the prospective licensee shall be apprised of any deficiencies which shall be corrected as a condition of issuance of a license. The prospective licensee shall not operate the dry cleaning establishment until a final license approval is issued by the department.

(2) If a license application is submitted to the department for operation after construction, installation, or modification of a dry cleaning system, then the application shall be accompanied by evidence of compliance with part 2 of these rules.

(3) A license is not transferable upon change of ownership.

PART 4. DRY CLEANING MACHINE REQUIREMENTS

R 325.17401 Dry cleaning machine exhaust systems.

Rule 401. (1) A dry cleaning machine which uses a solvent and is designed to be installed and operated without a loading door exhaust system as specified in subrule (2) of this rule shall be approved for operation only if the machine is constructed and operated in a manner to limit the peak work area concentration of the solvent vapors.

(2) Except as provided in subrule (1) of this rule, dry cleaning machines and recovery units or dryers shall be equipped with an exhaust system capable of providing an indraft velocity across the entire loading door opening which averages 100 feet per minute. The exhaust from the blower shall be tightly piped to a point not less than 5 feet above the roof of the building, any adjacent parapet wall, or adjacent building, whichever is applicable, and a minimum of 25 feet away from any return air opening. The stack shall be soldered or taped to prevent vapors from entering the work area and shall be equipped with a vertical discharge cap. Exhaust ducts from dry cleaning machines and recovery units or dryers shall be sized and joined in a manner to maintain the required air flow from each unit.

R 325.17501 Location of establishments; approval by department.

Rule 501. (1) The location and the type of building used for the dry cleaning establishment shall be approved by the department.

(2) The department shall conduct an on-site evaluation of a new dry cleaning building location before the plans and specifications are submitted to the department for review and approval. The owner, operator, or designated agent shall be responsible for contacting the department to arrange an inspection to comply with this part.

(3) The department shall not approve the location of a dry cleaning building or dry cleaning establishment if the building or establishment does not comply with the public health code for type IV installations or the fire prevention code for type I, II or III installations.

PART 7. INSTALLATION, OPERATION, AND VENTILATION

R 325.17701 Control of solvent and solvent vapors; exhaust ventilation generally.

Rule 701. (1) Dry cleaning systems in type I, II, III, and IV dry cleaning establishments shall be installed and maintained to prevent the unnecessary escape of solvents or solvent vapors into the dry cleaning machine room and public area atmospheres and so that the vapor concentration shall not exceed the allowable concentration in these areas for those compounds as specified in R 325.51101 et seq.

(2) General mechanical exhaust ventilation shall be provided in a dry cleaning machine room to effectively control the buildup of dry cleaning solvent vapors. The exhaust ventilation system shall be designed and installed to have a minimum capacity of 1 complete change of air in the dry cleaning machine room each 5 minutes in order to control emergency spills or leaks.

Rule 705. (1) If dry cleaning machines are located in public laundry facilities, then there shall be an operator on the premises when the dry cleaning machine is in operation.

(2) Dry cleaning equipment in type I, II, III, or IV establishments also having a public laundry, shall have general mechanical exhaust ventilation in the dry cleaning machine room to create a continuous flow of air from the operator's area and the public laundry portion of the establishment to the outside of the building to prevent dry cleaning solvent vapor buildup.

(3) General exhaust ventilation required by this rule shall be provided on a continuous basis while the dry cleaning establishment is open for business or while the dry cleaning equipment is being operated or serviced.

R 325.17706 Make-up air requirements generally.

Rule 706. (1) In addition to the exhaust ventilation systems required by these rules, a supply of make-up air which is equal to or greater than the total air being exhausted from the building shall be provided to all type I, II, III, and IV establishments.

(2) Regardless of the type of make-up air system selected, sufficient replacement air shall be provided to prevent a negative pressure condition within the building.

(3) Make-up air intakes shall be remotely located from the general exhaust location so as to provide maximum personnel protection from exposure to solvent vapors.

(4) The location of all make-up air systems and the flow direction of powered make-up air systems shall be approved by the department before installation.

R 325.17709 Ventilation exhaust ducts and deodorizing vents; size; sealing; discharge height.

Rule 709. (1) Ventilation exhaust ducts and deodorizing vents in dry cleaning establishments shall be sized to maintain the required air flow. The joints of the ducts shall be effectively sealed, soldered, or taped. The ducts shall extend to a minimum height of 5 feet above the roofline and a minimum of 25 feet from any air intake unit or opening and shall extend above any adjacent parapet wall or above adjacent buildings, whichever is higher. The ducts shall be equipped with a vertical discharge cap.

(2) Where deodorizing vents are connected to a common duct, the main duct shall be sized to maintain rated airflow from all the dry cleaning machines and shall be extended as required by subrule (1) of this rule. Backdraft dampers in individual deodorizing stacks may be required by the department.

(3) The exit location of ventilation ducts and deodorizing system vents shall be installed so as to prevent the entry of solvent-contaminated air into the make-up air supply or other air intakes or combustion air systems in the dry cleaning establishment.

R 325.17714 Organic vapor respirator requirement; selection.

Rule 714. (1) An approved organic vapor respirator is required for each type IV dry cleaning establishment. The respirator shall be kept near the dry cleaning machine in a sealed container, shall be properly identified, shall be in good repair, and shall be available for immediate use. Chemical specific cartridges for the respirators shall be approved and used according to the manufacturer's specifications only. The wearer shall replace the cartridge immediately upon noticing an odor.

(2) The respirator shall meet the requirements described in R 325.60051 et seq.

History: 2004 MR 6, Eff. Mar. 24, 2004.

PART 9. INSPECTIONS OF DRY CLEANING ESTABLISHMENTS

R 325.17901 Evaluation of establishments generally.

Rule 901. In accordance with the provisions of sections 13304 and 13307 of the code, the department shall make surveys, on-site inspections, surveillance observations, or special purpose investigations for the purpose of evaluating the construction, operation, adequacy, or condition of dry cleaning establishments.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17902 On-site inspections and surveillance observations.

Rule 902. On-site inspections and surveillance observations of dry cleaning establishments may include, but are not limited to, a review of all of the following:

- (a) Dry cleaning establishment physical facilities and equipment.
- (b) The maintenance program for the dry cleaning establishment.
- (c) Storage of chemicals and materials used in the dry cleaning establishment.
- (d) The design and operation of the dry cleaning establishment.
- (e) A cross connection control program to prevent contaminants from entering a public water supply system due to a reversal of flow.
- (f) Security measures provided to protect the public health and the operation of the dry cleaning establishment.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17903 Access for inspections.

Rule 903. An authorized representative of the department, after proper identification, may enter any dry cleaning establishment at any reasonable time for the purpose of making inspections and reviewing records of the establishment to determine compliance with the public health code for type IV installations or the fire prevention code for type I, II or III installations and these rules.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17904 Inspection reports.

Rule 904. A copy of the inspection report shall be furnished to the owner or operator of the dry cleaning establishment.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17905 Correction of violations.

Rule 905. If the violations identified from the inspection report are not corrected as required within the specified time period, then the department may issue an order to cease or modify operations at the dry cleaning establishment or the department may initiate license suspension, revocation, or denial proceedings in accordance with parts 3 and 10 of these rules.

History: 1979 ACS 6, Eff. May 8, 1981; 2004 MR 6, Eff. Mar. 24, 2004.

R 325.17906 Emergency orders to cease dry cleaning operations.

Rule 906. (1) Upon a finding by the director of the department that an emergency, as defined in R 325.17102(h), exists, the director may issue a written order to the person in charge of the establishment to immediately cease or modify all dry cleaning operations or may take any other action permitted by law. Dry cleaning operations shall not resume until written authorization is received from the director.

(2) If a dry cleaning establishment is ordered to cease or modify its dry cleaning operations under subrule (1) of this rule, then it shall not resume operations in violation of the order until the department determines, upon reinspection, that the conditions responsible for the order to cease operations no longer exist. An opportunity for reinspection shall be offered within a reasonable time or upon request of the owner or operator of the establishment.

(3) A person who fails to comply with an order to cease or modify dry cleaning operations or who interferes with an authorized representative of the department in the proper conduct of his or her responsibilities shall be subject to revocation

History: 1979 ACS 6, Eff. May 8, 1981; rescinded 2004 MR 6, Eff. Mar. 24, 2004.

R 325.18002 Opportunity to show compliance.

Rule 1002. Before commencing the proceedings for denial, suspension, or revocation of a license, the department shall give notice to the applicant or licensee, personally or by mail, of the facts or conduct which warrant the intended action and shall provide the applicant or licensee with an opportunity to show compliance with the public health code for type IV installations, or the fire prevention code for type I, II, or III installations and these rules. If, after an opportunity to show compliance, the department determines that the applicant or licensee has failed to show compliance with the applicable code and these rules, then the department may issue an order to deny, suspend, or revoke the license. An applicant or licensee who is aggrieved by a decision of the department to deny, suspend, or revoke a license is entitled to an administrative hearing under 1969 PA 306, MCL 24.201 et seq. This rule does not apply to emergency orders issued pursuant to subsection (3) of section 13321 of the public health code.

PART 2. LIFE SUPPORT AGENCIES-GENERAL

R 325.22111 Life support agencies; general provisions.

Rule 111. (1) A life support agency shall not operate unless it is licensed by the department and operates under the direction of a medical control authority in accordance with department-approved protocols.

(2) A life support agency license shall do all of the following:

(a) State the level of life support the agency is licensed to provide. A life support agency shall not operate at a level that exceeds its license or violates approved medical control authority protocols.

(b) Be responsible for communicating approved protocols to appropriate emergency medical services personnel.

(c) Provide emergency medical services in accordance with protocols established by the medical control authority and approved by the department.

(3) A life support agency application shall not be approved by the department unless signed by the medical director of each medical control authority responsible for the service area of the life support agency in accordance with R 325.22205(2). The medical director signature shall serve as confirmation that the medical control authority intends to provide medical control to the life support agency.

(4) A life support agency, except a fixed wing aircraft transport operation, shall provide at least 1 life support vehicle for response to requests for emergency assistance on a 24-hour-a-day, 7-day-a-week basis in accordance with its licensure level and medical control authority protocols.

(5) A life support agency shall respond, or ensure a response is provided, to each request for emergency assistance originating within the bounds of its service area.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22112 Patient destination; transporting agencies.

Rule 112. (1) An ambulance operation, both ground and rotary, shall transport an emergency patient only to an organized emergency department located in and operated by a hospital licensed under part 215 of the code or to a freestanding surgical outpatient facility licensed under part 208 of the code that operates a service for treating emergency patients 24 hours a day, 7 days a week and complies with medical control authority protocols.

(2) Subrule (1) of this rule shall not apply when a determination is made that an emergency no longer exists in accordance with department-approved protocols.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22113 Patient transfers; ground, rotary, aircraft transport.

Rule 113. (1) A person shall not transport a patient by stretcher, cot, litter, or isolette unless it is done in a licensed ambulance or aircraft transport vehicle. The life support agency transporting the patient shall require that any applicable department-approved protocols of the medical control authority are followed in accordance with section 20921 (4) and (5) of the code.

(2) An out-of-state service that is coming in this state to transfer a patient from a Michigan facility to a facility in another state or country shall be licensed or certified within its own jurisdiction.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22114 Professional standards review organization; data collection.

Rule 114. Each life support agency or medical control authority, or both, shall establish a professional standards review organization for improving the quality of emergency medical services. As part of the organization, each life support agency shall collect data to assess the need for and quality of emergency medical services. The data shall be submitted to the medical control authority as determined by department-approved medical control authority protocol as required in R 325.22207(1)(h).

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22115 Use of descriptive words, phrases, symbols, advertising.

Rule 115. A person shall not use words, phrases, signs, symbols, or insignia that advertise or convey to the public that it

provides emergency medical services or that it provides emergency medical services at a particular level unless it is licensed to do so.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22116 Inability to provide service.

Rule 116. (1) If a life support agency cannot operate or staff at least 1 vehicle for response to an emergency within its service area in accordance with the code, these rules, or applicable protocols, then the life support agency shall do all of the following:

- (a) Immediately notify the department and medical control authority within its service area when it cannot provide at least 1 ambulance available for response to requests for emergency assistance on a 24-hour-a-day, 7-day-a-week basis in accordance with medical control authority protocols.
- (b) Immediately notify the department of a change that would alter the information contained on its application.
- (c) Notify the dispatch center that regularly receives requests for its services, and other public safety agencies if appropriate, that it is not available to respond. The notification shall advise the dispatch center of the period in which the agency will be out of service and the name of the agency that will be covering its service area.
- (d) Notify life support agencies providing secondary response capabilities.

(2) The life support agency shall comply with R 325.22202(4).

(3) A life support agency that does not comply with section 20921(1)(a) of the code shall be subject to disciplinary action by the department.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22117 Maintenance of medical records.

Rule 117. A life support agency shall maintain an accurate record of each case where care is rendered on a form approved by the medical control authority. Medical records shall be maintained for 5 years. However, records of minors shall be maintained until they reach 23 years of age.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22118 Removal of vehicle from service; licensure; interagency vehicle transfer, lease, loan, from another life support agency.

Rule 118. (1) A life support agency shall notify the department when it permanently removes a vehicle from service. If a vehicle is permanently removed from service, then the agency shall contact the department, in writing, within 30 days of removal. Notification shall include the make, model, year, and vehicle identification number on a form prescribed by the department.

(2) A life support vehicle license is nontransferable. A life support agency may temporarily use a state licensed life support vehicle of another licensed life support agency through a loan. Vehicle loans may occur if mechanical problems prevent an agency from deploying its existing vehicles. The life support agency acquiring the vehicle shall do all of the following:

- (a) Notify the department of the loan within 3 business days on a form prescribed by the department.
 - (b) Replace an existing licensed vehicle with the loaned vehicle at the agency. The loaned vehicle shall not increase the total number of vehicles the agency is licensed to use.
 - (c) Use the loan for a maximum of 60 calendar days.
 - (d) Extend the loan 1 time for 60 additional calendar days if the agency notifies the department on a form prescribed by the department.
- (3) A life support agency that obtains a vehicle through a gift, lease, transfer, or purchase from another life support agency shall comply with both of the following:
- (a) Submit an application for the vehicle in accordance with R 325.22190 (2) or (3).
 - (b) Comply with R 325.22181.
- (4) A life support agency that gives, leases, transfers, or sells a vehicle to another life support agency shall comply with subrule (1) of this rule.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22119 Operational routine vehicle and equipment inspection.

Rule 119. A life support agency shall have a written policy in place to ensure vehicles and equipment are operational and provide documentation of not less than a weekly inspection program for all vehicles, communications equipment, and mechanical and electronic medical equipment.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22120 Life support agencies licensed in other states or dominion of Canada.

Rule 120. (1) A life support agency licensed in another state or the dominion of Canada that responds to emergencies in this state shall be licensed by the department unless specific intergovernmental agreements exist between the department, the dominion of Canada, or the other state.

(2) A life support agency licensed in another state or in the dominion of Canada that responds to emergencies shall be accountable to the medical control authority in whose geographical boundaries initial patient contact is made.

R 325.22122 Misleading information concerning emergency response.

Rule 122. A life support agency shall not knowingly provide a person with false or misleading information concerning the time at which an emergency response will be initiated or the location from which the response is being initiated. The department or medical control authority may investigate any allegation of wrongdoing submitted under this rule. If a violation of this rule occurs, the department or medical control authority may take any corrective action authorized under the code and these rules.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22123 Spontaneous use of vehicle under exceptional circumstances; written report.

Rule 123. (1) If an ambulance operation is unable to respond to an emergency patient within a reasonable time, then the ambulance operation may use a vehicle under exceptional circumstances to provide, without charge or fee and as a humane service, transportation for the emergency patient. Emergency medical personnel who transport, or who make the decision to transport, an emergency patient shall file a written report describing the incident with the medical control authority.

(2) A life support agency that transports an emergency patient under subrule (1) of this rule shall file a written report within 7 days with the medical control authority describing the incident.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22124 Enforcement.

Rule 124. (1) The department may take any action authorized by sections 20162, 20165, 20168 of the code or other provisions of the code in response to a violation of the code or these rules. Enforcement actions include any of the following:

(a) Denial, suspension, limitation or revocation of a life support agency license.

(b) The issuance of a nonrenewable conditional license effective for not more than 1 year.

(c) The issuance of an administrative order to correct deficiencies and prescribing the actions the department determines to be necessary to obtain compliance with the code or to protect the public health, safety, and welfare.

(2) A life support agency that is granted a 1-year nonrenewable conditional license by the department shall comply with at least all of the following:

(a) Provide at least 1 vehicle for response to requests for emergency assistance on a 24-hour-a-day, 7-day-a-week basis in accordance with its licensure level.

(b) Submit a statement of the reasons for the life support agency's inability to comply with the code for licensure.

(c) Develop a plan of action to meet all licensure requirements. The plan shall be submitted to the medical control authority and the department.

(d) Submit a monthly report to the medical control authority that outlines the progress made on the plan.

(e) Report all out-of-service time to each involved medical control authority.

(3) A life support agency that is granted a 1 year nonrenewable conditional license shall comply with all licensure fee requirements in the code.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22125 Life support agency; licensure at higher level of care; requirements.

Rule 125. (1) A life support agency seeking licensure at a higher level shall qualify for that license only if the life support agency meets the following requirements:

(a) Under the provisions of the code, a life support agency that is licensed to provide medical first response life support may apply for licensure at the basic, limited advanced, or advanced life support level. A life support agency that is licensed to provide basic life support may apply for licensure at the limited advanced or advanced life support level. In the same manner,

Annual Administrative Code Supplement
2004 Edition

a life support agency that is licensed to provide limited advanced life support may apply for licensure at the advanced life support level.

(b) Each life support agency that meets the requirements of subdivision (a) of this subrule shall apply for a higher level of licensure on forms provided by the department and shall meet the requirements of the code and these rules. Included with the application shall be the required fee and identification of level of life support of the operation.

(2) A life support agency that obtains licensure at a higher level shall provide that level of care 24-hours-a-day, 7-days-a-week.

(3) If a life support agency applies to the department for licensure at a higher level than that of its current level, then the department shall conduct an inspection of the agency and its vehicles. Verification of compliance with this subrule shall be included with the application for license for each ground ambulance or nontransport prehospital life support vehicle by both of the following methods:

(a) Provide, as part of the application, the name and address of the medical control authority or authorities under which the life support agency is operating. The agency shall complete an application for licensure, as prescribed by the department, for each medical control authority under which it operates. The signature on the application of the emergency medical services medical director, from each medical control authority, shall verify that the medical control authority agrees to provide medical control to the life support agency.

(b) Attest by signing the application that the radio communication system for each ambulance or nontransport prehospital life support vehicle complies with the medcom requirements, that each vehicle meets minimum equipment requirements, and that minimum staff requirements are being met in order to operate at least 1 vehicle on a 24 hour-a-day, 7 day-a-week basis. In addition, the agency shall document that each ground ambulance licensed by the department has a manufacturer certificate of compliance. Verification of compliance with this subrule shall be available to the department upon request.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22126 Life support agency; medical control; disciplinary action.

Rule 126. (1) A medical control authority may exercise disciplinary action against a life support agency and its emergency medical services personnel that may result in the life support agency or its personnel not being permitted to provide prehospital emergency care. The basis for these actions shall be for noncompliance with protocols established by the medical control authority and approved by the department. Disciplinary action may include the suspension, limitation, or removal of medical control for the life support agency or its personnel to provide emergency medical services.

(2) If disciplinary action against an agency or individual under subrule (1) of this rule results in the suspension, limitation, or removal of medical control, then the medical control authority shall advise the department, in writing, of such action within 1 business day of the removal.

(3) If a suspension or removal of medical control for a life support agency or individual occurs, the life support agency or individual shall not operate or practice in that medical control authority region until medical control is restored by the medical control authority.

(4) If a suspension or removal of medical control for a life support agency or individual occurs, the life support agency or individual may appeal the decision to the medical control authority. After appeals to the medical control authority have been exhausted, the life support agency or individual may appeal the medical control authority's decision to the statewide emergency medical services coordination committee. An appeal to the emergency medical services coordination committee shall be filed with the department in writing not more than 30 calendar days following notification to the agency or individual of the final determination of the medical control authority.

(5) The emergency medical services coordination committee shall review the appeal of a life support agency or individual and make a recommendation to the department. The department will consider the emergency medical services coordination committee recommendation and conduct its own review of the appeal. If the department determines that licensure action is required, the department shall provide for a hearing in accordance with the code and Chapter 4 of the Administrative Procedures Act of 1969 MCL 24.271 et seq. The hearing officer shall issue a determination that constitutes a final disposition of the proceedings to each party within 30 days after the conclusion of the hearing. The determination of the hearing officer shall become the final agency order upon receipt by the parties.

R 325.22127 Life support agency; life support vehicle; inspection; contractor requirements.

Rule 127. (1) The department shall, at least annually, inspect or provide for the inspection of each life support agency. The department shall conduct random inspections of life support vehicles during the agency licensure period.

(2) A life support agency that receives accreditation from the commission on accreditation of ambulance services or other organizations approved by the department as having equivalent expertise and competency in the accreditation of life support agencies may not be subject to an agency inspection by the department if the life support agency meets both of the following

Annual Administrative Code Supplement
2004 Edition

requirements:

- (a) Submits verification of accreditation described in this rule.
 - (b) Maintains accreditation as described in this rule.
 - (3) Accreditation of a life support agency does not prevent the department from conducting a life support agency inspection.
 - (4) Pursuant to section 20910(2)(b) of the code, if emergency medical services activities apply to contracts with agencies or individuals for purposes of providing life support agency and life support vehicle inspections, the department shall notify each life support agency and medical control authority of the existence of the contracts, including the roles and responsibilities of those agencies or individuals having been awarded contracts.

PART 3. AMBULANCE OPERATIONS

R 325.22131 Ambulance operation; initial application; ground; rotary.

Rule 131. An ambulance operation and its ambulances shall be licensed by the department in accordance with section 20920 of the code. The application for initial licensure shall include all of the following:

- (a) Be on forms provided by the department and include the required fees and identification of level of life support of the operation.
- (b) Specify each ambulance to be operated, the level of life support being provided by that ambulance, and include a certificate of insurance covering each ambulance as identified in subrule (6).
- (c) Provide as part of the application, the name and address of each medical control authority under which the life support agency is operating. The agency shall complete an application for licensure, as prescribed by the department, for each medical control authority under which it operates. A signature on the application by the emergency medical services medical director, from each medical control authority, shall be proof that the medical control authority agrees to provide medical control to the life support agency.
- (d) An attestation, as evidenced by signing the application, of all of the following:
 - (i) Radio communications for each ambulance comply with the medcom requirements.
 - (ii) Each vehicle meets minimum equipment requirements.
 - (iii) Minimum staff requirements will be met in order to operate at least 1 vehicle on a 24 hour-a-day, 7 day-a-week basis, consistent with section 20921 (3) and (4) of the code.
 - (iv) A manufacturer certificate of compliance for each ground ambulance licensed by the department.
- (e) Verification of compliance with subrules (3) and (4) of this rule is available to the department upon request.
- (f) Include evidence that the operation possesses not less than \$1,000,000.00 insurance coverage or is under a self-insurance program authorized under 1951 PA 35, MCL 124.1 et seq. for property damage and personal injury, except for rotary winged aircraft. An application for rotary winged aircraft shall include evidence that the operation possesses not less than \$5,000,000.00 insurance coverage or is under a self-insurance program authorized under 1951 PA 35, MCL 124.1 et seq. for property damage and personal injury.
- (g) Include full disclosure of the operation ownership, including all of the following:
 - (i) Copies of documents relating to the official type of legal organization of the operation, stating whether it is an individual proprietorship, partnership, corporation or subsidiary of any other corporation or unit of government. These documents shall be maintained by the operation and shall be available to the department upon request.
 - (ii) Copies of registration of the operation with the secretary of state or other designated official in each state that the agency is chartered, incorporated, or authorized to do business. These documents shall be maintained by the operation and shall be available to the department upon request.
 - (iii) Disclose all legally responsible individuals, owners, or officers of the ambulance operation at the time of license application, including any trade names under which the organization operates. These shall include, but not limited to, the name or names that the ambulance operation is known to the public.
 - (iv) Disclose all parent organizations and any person as defined in the code that have at least a 10% interest in the applicant operation.
- (h) Identify 1 individual who will serve as the primary contact person for the operation.

R325.22132 Ambulance operation; operating requirements.

Rule 132. In addition to requirements prescribed in the code and these rules, an ambulance operation shall do all of the following:

- (a) Establish and maintain a written procedure that explains the steps that will be followed when a complaint is received by the operation. This procedure shall be maintained by the operation and shall be available to the department upon request.

Annual Administrative Code Supplement
2004 Edition

- (b) Maintain evidence of participation in the county, local, or regional disaster plan. Approved protocols may be used to meet this requirement. These documents shall be maintained by the operation and shall be available to the department upon request.
 - (c) Comply with medical record keeping requirements in accordance with rule 325.22117.
 - (d) Maintain written policies and procedures that address safety and accident reduction and comply with all applicable state and federal health and safety laws as prescribed on the department-approved agency inspection form. These procedures shall be maintained by the operation and shall be available to the department upon request.
 - (e) Require that each individual staffing an ambulance is in compliance with the code and complies with applicable medical control authority protocols.
 - (f) Require that an ambulance is not operated while transporting a patient unless the ambulance is staffed in accordance with section 20921(3)(4) and (5) of the code.
 - (g) Maintain evidence of an orientation process of emergency medical services personnel that familiarizes them with the agency's policies and procedures and are trained in the use and application of all the equipment carried in the ambulance. Included, at a minimum, shall be an introduction to personnel duties and responsibilities in addition to medical control authority protocols.
 - (h) Maintain a copy of all applicable protocols for each medical control authority under which the agency operates.
 - (i) Participate in data collection and quality improvement activities authorized under medical control authority protocols.
 - (j) Ensure that each licensed ambulance meets all applicable vehicle standards and state equipment requirements prescribed by the department and department-approved medical control authority protocols.
 - (k) Require compliance with medcom requirements.
 - (l) Not knowingly respond to or advertise its services for prehospital emergency patients from outside its service area as defined in these rules, except for mutual aide requests.
 - (m) Require that each individual operating a licensed life support vehicle during an emergency response or patient transport has completed a vehicle operation education and competency assessment.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22133 Ambulance operation; ground; rotary licensure requirements.

Rule 133. An ambulance operation shall comply with all of the following:

- (a) Provide not less than 1 staffed ambulance as defined in section 20921(3) of the code, at the agency level of licensure, available for response to requests for emergency assistance 24-hours-a-day, 7-days-a-week.
- (b) Respond or ensure a response is provided to each request for emergency assistance originating from within the bounds of its service area.
- (c) Ensure compliance with the code and these rules.
- (d) Advise the department immediately of any changes that would alter the information contained on its licensure application, including any of the following:
 - (i) Change of ownership.
 - (ii) Change of facility name.
 - (iii) Change in vehicle status.
 - (iv) Circumstances which preclude the ambulance operation from complying with subrule (1) of this rule or minimum equipment requirements.
 - (v) Change in communication ability to comply with medcom requirements.
 - (vi) Change in service area.
- (e) While transporting a patient, require compliance with minimum staffing requirements prescribed in section 20921 (3)(4) and (5) of the code.
- (f) Require that an individual whose license is at least equal to the level of vehicle license is in the patient compartment when transporting an emergency patient, or consistent with department approved medical control authority protocols.
- (g) Ensure that patient care and safety equipment carried on an ambulance meet the minimum requirements prescribed by the department and approved medical control authority protocols.
- (h) Ensure that each ambulance is equipped with a communications system consistent with the medcom requirements developed by the department.

- (b) Have been owned, operated, or under contract to a local unit of government and providing first line emergency medical response to that local unit of government on or before July 22, 1997. Emergency services provided under an upgraded license shall be provided only to the local unit of government and only in response to a 9-1-1 call or other call for emergency transport within jurisdiction of local unit of government.
- (c) A transporting basic ambulance operation shall staff and equip 1 or more ambulances for the transport of emergency patients at a life support level higher than basic life support.
- (d) A transporting limited advanced ambulance operation shall staff and equip 1 or more ambulances for the transport of emergency patients at the advanced life support level.
- (e) Make application for licensure to the department on forms prescribed by the department. Included with the application shall be the required \$100.00 fee and identification of the current level of life support of the operation and the higher level of life support being sought. The application shall include verification of all of the following:
 - (i) The ambulance operation was licensed on, or before, July 22, 1997.
 - (ii) The ambulance operation was licensed, at a minimum, as a basic transporting ambulance operation on, or before, July 22, 1997.
 - (iii) The ambulance operation is owned, operated by, or under contract with a local unit of government.
 - (iv) Services described in the application shall be provided only to the local unit of government and only in response to 9-1-1 calls or other calls for emergency transport within the jurisdiction of the local unit of government.
 - (v) The ambulance operation complies with all patient care and radio equipment requirements for the level of upgrade requested.
 - (vi) The ambulance operation provides a description of the staffing for each vehicle under the upgrade provision.
 - (vii) The ambulance operation provides a 2-year plan of action to upgrade, on a full-time basis, to the higher level. A letter of commitment by the local unit of government supporting this plan of action shall be part of the plan.
 - (viii) The ambulance operation provides patient care protocols and a formal recommendation from the medical control authority under which the ambulance operation operates.
 - (ix) Quality monitoring procedures and use and protection of equipment protocols have been developed and approved by the medical control authority. Use and protection equipment protocols shall describe procedures the operation will use to limit access to the limited advanced or advanced, or both, equipment and supplies when not operating at the higher level.
- (f) Provide additional information as prescribed by the department to process the application.

R 325.22173 Ambulance operation upgrade license; review process and licensure.

Rule 173. An application submitted under R 325.22171 shall be reviewed by the emergency medical services coordination committee. The emergency medical services coordination committee shall make a recommendation to the department if an ambulance operation upgrade license should be granted to the applicant.

Annual Administrative Code Supplement
2004 Edition

- (a) If the emergency medical services coordination committee recommend a license upgrade, then the department shall conduct a communication and equipment inspection at the upgrade level before issuing a license
 - (b) If the emergency medical services coordination committee does not recommend a license upgrade, then the department shall send a communication to the ambulance operation upgrade applicant identifying concerns and advising the operation of non-approval of licensure.
 - (c) A license issued under R 325.22173(1) shall be valid for 2 years from date of issuance by the department.
 - (d) The medical control authority under which the ambulance operation operates shall submit to the emergency medical services coordination committee an annual written progress report on the ambulance operation upgrade plan of action. The progress report shall include, but is not limited to, information on training, equipment, and personnel. The report shall demonstrate progress being made by the ambulance operation to achieve licensure and the higher level and comply with the 24-hour-a-day, 7-day-a-week requirements of the code.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22174 Ambulance operation upgrade license; renewal process.

Rule 174. An ambulance operation upgrade license is renewable for 1 additional 2-year period provided the following requirements are met:

- (a) The medical control authority has complied with R 325.22173(4).
 - (b) The ambulance operation has renewed and is currently licensed at the basic transporting life support or limited advanced transporting life support level.
 - (c) The ambulance operation meets the renewal upgrade licensure application requirements prescribed by the department, including the \$100.00 fee.
 - (d) The ambulance operation submits, with the renewal upgrade licensure application, a progress report on the initial plan of action.
 - (e) Provides a description of the staffing for each vehicle under the upgrade license.
 - (f) Provides an updated 2-year plan of action to upgrade, on a full-time basis, to the higher level. A letter of commitment by the local unit of government supporting this plan of action shall be part of the plan.

PART 8. LIFE SUPPORT VEHICLES

R 325.22181 Ground ambulance; requirements.

Rule 181. (1) An ambulance operation shall maintain the manufacturer's certificate of compliance on file at the time of application to the department for licensure of each ground ambulance. The certificate of compliance shall be executed by the final manufacturer of each ground ambulance and be on a form prescribed by the department.

Annual Administrative Code Supplement
2004 Edition

(2) The manufacturer of a ground ambulance executing a certificate of compliance shall comply with the ambulance structural and mechanical specifications in compliance with federal (KKK) standards, excluding the paint scheme, that were in effect at the time of manufacture and shall maintain test data demonstrating compliance. Once licensed for service, an ambulance shall not be required to meet later modified state vehicle standards during its use by the ambulance operation that obtained the license.

(3) A ground ambulance referred to in subrule (2) of this rule shall not be modified to alter its original design upon which the certificate of compliance was based, unless a new certificate is issued verifying that the modifications have not altered the integrity of the vehicle.

(4) The patient compartment of a ground ambulance that has met applicable federal standards at the time of manufacture may be remounted on to a different chassis by a qualified vehicle modifier as designated by the chassis manufacturer. A new manufacturer's certificate of compliance shall be issued that identifies the new vehicle identification number and demonstrates compliance with KKK standards in accordance with subrule (2) of this rule.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22182 Non-qualifying vehicles for licensure.

Rule 182. (1) A ground ambulance that was originally manufactured before January 1, 1982 shall not qualify for licensure by the department and shall not be sold or donated in this state for use as a ground ambulance. This subrule shall not apply to a ground ambulance that has been licensed and is currently licensed by the department and has been in continuous service before January 1, 1982.

(2) A ground ambulance manufactured after January 1, 1982, whose age from the date of manufacture exceeds 2 years, shall have a safety inspection by a certified mechanic being sold to provide ground ambulance services. The inspection shall be documented on a form developed by the department and shall include a notarized statement by the previous owner attesting that the ground ambulance has not been involved in a vehicular accident altering its safety. The documents required by this subrule shall be submitted to the department by the purchaser as part of the application for licensure by the new owner.

Annual Administrative Code Supplement
2004 Edition

- (a) Be capable of on-scene response and transportation of emergency patients.
 - (b) Be staffed in accordance with section 20921 (3) (4) and (5) of the code.
 - (c) Allow for patient access and treatment to the patient by the rotary ambulance personnel.
 - (d) Possess access that allows for safe loading and unloading of a patient without excessive maneuvering of the patient.
 - (e) Be temperature controlled for the comfort of the patient.
 - (f) Have adequate lighting for patient care and observation.
 - (g) Be equipped with communication capability with hospitals, ground units, and medical control in accordance with the medcom requirements.
 - (h) Be capable of carrying a minimum of 1 patient in a horizontal position on a litter located so as not to obstruct the pilot's vision or interfere with the performance of any member of the flight crew or required air medical personnel.
 - (i) Securely store equipment and make readily accessible.
 - (j) Operate under the medical control authority for the geographic area where on-scene patient care is being provided.

R 325.22189 Fixed wing vehicle; requirements.

Rule 189. A fixed wing vehicle shall comply with all of the following:

- (a) Be authorized as part of a licensed aircraft transport operation.
- (b) Be capable of carrying a minimum of 1 patient in a horizontal position on a litter located so as not to obstruct the pilot's vision or interfere with the performance of any member of the flight crew or air medical personnel.
- (c) Provide a means of securing the litter while supporting a patient to the floor, walls, seats, specific litter rack, or any combination thereof.
- (d) If transporting more than 1 patient, there shall be a minimum vertical spacing of 30 inches between each patient's litter.
- (e) Ensure that the upper surface of the single or upper litter is not less than 30 inches from the ceiling of the aircraft.
- (f) Ensure that the head and thorax of a patient secured to a litter is accessible to air medical personnel from at least 1 side of the litter without obstruction.
- (g) Ensure that the patient compartment has adequate lighting available for patient observation.
- (h) Require that equipment is secured to the aircraft, readily accessible, and when not in use, securely stored.
- (i) Ensure that the interior of each vehicle affords an adequate patient care and treatment area.
- (j) Ensure that each vehicle is equipped with a cargo door or other entry that allows for loading and unloading of the patient without excessive maneuvering of the patient.
- (k) Ensure that the interior of each vehicle is equipped with temperature control for the comfort of the patient.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22190 Life support vehicles; licensure and relicensure inspections; new and replacement vehicles; licensure at higher level of care.

Rule 190. Life support vehicles shall be inspected as follows:

- (a) The department may conduct random renewal inspections of life support vehicles, including medical first response vehicles. Inspections shall be unannounced unless circumstances warrant notifying a life support agency in advance that an inspection of its life support vehicles will be conducted. The department shall determine if prior notification of an inspection is warranted. A vehicle license may be renewed without an inspection.
- (b) Submission of a licensure renewal application shall be considered an attestation by the life support agency that the vehicle meets all licensure requirements.
- (c) A life support agency that is adding a new or higher licensure level for a life support vehicle shall submit an application, on forms provided by the department, and include the required fee. New and higher level of care vehicles shall be inspected before being placed into service. Upon receipt of the application and required fee, the department shall inspect new or upgrade vehicles within 15 days of receipt of application.
- (d) A life support agency that is replacing a life support vehicle shall submit an application, on forms provided by the department, and include the required fee. A replacement vehicle means a life support agency has removed a vehicle from service and has replaced the vehicle with another.
- (e) Replacement vehicles may be placed into service upon submission of an application and the required fee to the department. Upon receipt of the application and required fee, the department shall inspect the replacement vehicle within 15

days of receipt of the application.
History: 2004 MR 10, Eff. May 20, 2004.

R 325.22191 Life support vehicles inspected; non-compliance; corrective measures.

Rule 191. If the department determines that a life support vehicle is not in compliance with the requirements of the code and these rules, then the following shall apply:

- (a) If an agency has a vehicle determined to be noncompliant on critical equipment items as identified on the inspection form, the agency shall have 24 hours to bring the vehicle into compliance and to notify the department in writing of the corrections made. The vehicle may be returned to service before a reinspection with approval of the department. A reinspection shall occur within 15 days of notification by the life support agency.
- (b) An agency has 24 hours to bring a vehicle into compliance from the time it is determined to be out of compliance due to missing critical equipment items. The agency shall remove the vehicle from service until the life support agency submits a written explanation of corrective action to the department and the department reinspects the vehicle. A vehicle taken out of service shall not function as an ambulance or life support vehicle until the vehicle passes the department reinspection.
- (c) If a vehicle remains out of compliance for more than 15 calendar days from the date of inspection, then its license shall be automatically revoked. Reinstatement of the life support vehicle license shall require reapplication for licensure, payment of the licensure fee prescribed in the code, and a reinspection of the vehicle.
- (d) If an agency has a vehicle determined to be noncompliant, but not missing critical equipment items, the agency shall be allowed 15 calendar days from the date of inspection to provide the department with a written explanation of corrective action. The life support vehicle may remain in service during the 15-day period unless the department has ordered that the vehicle be taken out of service pursuant to subdivision (c) of this rule.
- (e) The department may immediately order a life support vehicle out of service if it determines that the health and welfare of a patient may be in jeopardy due to noncompliance with critical equipment standards or defective and nonfunctional critical equipment. A notice of such action shall be immediately provided to the life support agency by the department based upon the deficiencies found.
- (f) A life support agency that takes corrective measures to bring a life support vehicle into compliance during the time of a department inspection shall not receive notice of noncompliance. The inspection report shall reflect that the corrective action and compliance have been met.

Rule 194. A person who receives any radio communication not intended for the general public shall not use the contents of the communication for initiating an emergency medical service response as described in section 20963 (2) of the code.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22195 Communications system application process; life support agencies; medical control authorities.

Rule 195. (1) A life support agency shall comply with the ambulance-to-hospital radio communications system consistent with the medcom requirements in the medical control authorities in which they operate.

(2) A medical control authority shall comply with the ambulance-to-hospital radio communications system approval process, as prescribed by the medcom requirements, under any of the following conditions:

- (a) A medical control authority upgrades to provide limited advanced or advanced life support oversight.
- (b) An existing medical control authority changes the infrastructure of its communication system affecting ambulance-to-hospital communications.

Annual Administrative Code Supplement
2004 Edition

(c) A change is made in an existing communications system that results in an inability of an agency or hospital to communicate with each other.

History: 2004 MR 10, Eff. May 20, 2004.

PART 10. MEDICAL CONTROL AUTHORITY

R 325.22201 Medical control authorities; designation.

Rule 201. (1) The department shall designate a medical control authority to provide medical control for emergency medical services for a particular geographic area. The Medical Control Authority shall operate in accordance with the terms and level of its designation within its medical control authority region.

(2) Level of designation shall be basic life support, limited advanced life support, or advanced life support. Basic designation includes medical first responder. Limited advanced life support designation includes medical first responder and basic life support. Advanced life support designation includes medical first responder, basic and limited life support.

(3) The department shall designate medical control authorities to cover a county or part of a county, except that the department may designate a medical control authority to cover 2 or more counties if the department determines that the available resources would be better utilized under a multiple county medical control authority. In designating a medical control authority, the department shall assure that there is a reasonable relationship between the existing emergency medical services capacity in the geographical area to be served by the medical control authority and the estimated demand for emergency medical services in that area.

(4) A medical control authority shall be administered by the participating hospitals of the designated medical control authority region.

(5) Each hospital licensed under part 215 of the code that operates a service for treating emergency patients 24 hours a day, 7 days a week may participate and serve on the medical control authority board in the ongoing planning and development activities of the medical control authority designated by the department.

(6) Each freestanding surgical outpatient facility licensed under part 208 of the code that operates a service for treating emergency patients 24 hours a day, 7 days a week and meets standards established by the medical control authority may participate and serve on the medical control authority board in the ongoing planning and development activities of the medical control authority designated by the department. If a freestanding surgical outpatient facility participates in the medical control authority as described in this rule, the facility shall meet all applicable standards established by the medical control authority.

(7) Each hospital and freestanding surgical outpatient facility shall comply with protocols for providing services to a patient before care of the patient is transferred to hospital personnel.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22202 Medical control authorities; authority board; advisory body; medical director; responsibilities; approval.

Rule 202. (1) A medical control authority, as defined in the code, shall be approved by the department and do all of the following:

(a) Develop bylaws that define the medical control authority organizational structure.

(b) Appoint a medical control authority board, as defined in these rules, to administer the medical control authority. The majority of the board shall be comprised, at a minimum, of members of the hospitals and, when applicable, freestanding surgical outpatient facilities. The board may include representation of life support agencies.

(c) If the board also functions as the advisory body to the medical control authority as described in this rule, then the board shall include a representative of each type of life support agency and emergency medical services personnel functioning within the medical control authority's region.

(d) Appoint an advisory body as defined in section 20918 (2) and (4) of the code. The advisory body shall meet at least quarterly.

(e) Appoint a medical director, with the advice of the advisory body, in accordance with section 20918 (3) of the code. The medical director is responsible for medical control for the emergency medical services system served by the medical control authority. The medical control authority, with the advice of the advisory body, may appoint more than 1 physician to serve as medical director provided the individual meets all applicable criteria, and is approved by the department.

(f) Appoint a professional standards review organization, as defined in these rules, for the purpose of improving the quality of medical care.

(g) Make each licensed life support agency and individual accountable to the medical control authority in the provision of emergency medical services, as defined in department-approved protocols.

(h) Establish written protocols for the practice of life support agencies and emergency medical services personnel. Protocols shall be provided to all affected life support agencies.

Annual Administrative Code Supplement
2004 Edition

- (i) Collect data as necessary to assess the quality and needs of emergency medical services throughout its medical control authority region.
 - (2) Each participating and nonparticipating hospital within a medical control authority region shall follow all standards, policies, procedures and protocols established by the medical control authority as approved by the department.
 - (3) Each medical control authority shall submit to the department current protocols for department review and approval. Department approval shall be on a 3-year cycle as defined by the department.
 - (4) The medical control authority shall notify the department if a life support agency is consistently unable to provide at least 1 life support vehicle 24- hours-a-day, 7-days-a-week.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22203 Medical control authority; denial, revocation, or suspension of designation.

- Rule 203. (1) The department may deny, revoke, limit, or suspend designation of a medical control authority upon finding that the medical control authority meets 1 or more of the following:
- (a) Is guilty of fraud or deceit in securing its medical control designation.
 - (b) Has failed to perform in accordance with the terms of its designation and its department-approved protocols.
 - (c) Has not maintained minimum criteria for medical control authorities, as established by the department.
 - (d) Has failed to develop protocols as identified in the code to protect the public health.
- (2) If the department denies, revokes, limits, or suspends a medical control authority designation, then the department shall designate a medical control authority to serve that medical control authority region.
- (3) The department shall provide notice of intent to deny, revoke, limit or suspend medical control authority designation and shall provide for a hearing in accordance with the code and Chapter 4 of the Administrative Procedures Act of 1969 MCL 24.271 et seq. The hearing officer shall issue a determination that constitutes a final disposition of the proceedings to each party within 30 days after the conclusion of the hearing. The determination of the hearings officer shall become the final agency order upon receipt by the parties.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22204 Medical control authority; advisory body.

- Rule 204. A medical control authority shall appoint an advisory body as defined in section 20918 (2) and (4) of the code. The advisory body shall, at a minimum do all of the following:
- (a) Advise the medical control authority on the appointment of a medical director.
 - (b) Advise the medical control authority on the development of protocols.
 - (c) Meet at least quarterly.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22205 Medical control authority; medical director; responsibilities.

- Rule 205. (1) The medical director is an agent of the medical control authority and is responsible for medical control for the emergency medical services system.
- (2) The medical director shall ensure the provision of medical control. The medical director's signature on a life support agency's application for licensure or relicensure affirms that the medical control authority intends to provide medical control to the life support agency. If the medical director refuses to sign the life support agency application for licensure or relicensure, then the medical director shall notify the department in writing, within 5 business days, providing justification for denial. Refusal of a medical director to sign a life support agency application shall result in denial justification review by the department.
- (3) The medical director shall do all of the following:
- (a) Participate every 2 years in not less than 1 department-approved educational program relating to medical control issues.
 - (b) Be responsible for the supervision, coordination, implementation, and compliance with protocols of the medical control authority.
 - (c) Receive input from, and be responsive to, the advisory body.
 - (d) Complete, within 1 year of initial appointment, a medical director's educational program provided by the department.
- History: 2004 MR 10, Eff. May 20, 2004.

R 325.22206 Medical control authority; region.

- Rule 206. (1) Not more than 1 medical control authority shall be approved in each designated region.
- (2) A medical control authority shall obtain approval from the department to change or combine medical control authority regions, or to assume a temporary contractual responsibility for a portion of another medical control authority's region.
- History: 2004 MR 10, Eff. May 20, 2004.

Annual Administrative Code Supplement
2004 Edition

R 325.22207 Medical control authority; protocol development; promulgation of protocols; emergency protocol.

Rule 207. (1) Each medical control authority shall establish written protocols as defined in section 20919 of the code, which shall include, but not be limited to all of the following:

- (a) The acts, tasks, or functions that may be performed by each level of emergency medical services personnel licensed under this part. Emergency medical services personnel shall not provide life support at a level that exceeds the life support agency license and approved medical control authority protocols.
- (b) Procedures to assure that life support agencies are providing clinical competency assessments to emergency medical services personnel before the individual provides emergency medical services within the medical control authority region.
- (c) Medical protocols to require the appropriate dispatching of a life support agency based upon medical need and the capability of the emergency medical services system.
- (d) A do-not-resuscitate protocol consistent with section 20919(1)(c) of the code.
- (e) Protocols defining the process, actions, and sanctions a medical control authority may use in holding a life support agency or personnel accountable. This shall include disciplinary action against a life support agency or emergency medical services personnel.
- (f) Protocols defining the process to immediately remove medical control if the medical control authority determines that an immediate threat to the public health, safety or welfare exists. These protocols shall specify that a medical control authority has 3 business days to hold a hearing and make a determination.
- (g) Protocols that ensure that if medical control has been removed or suspended from a participant within their medical control authority, then the participant shall not provide prehospital care until medical control is reinstated. If medical control is removed from a participant in the medical control authority, then the department and life support agency shall be notified within 1 business day of the removal.
- (h) Protocols that ensure a quality improvement program is in place. The quality improvement program shall include a requirement that each life support agency collects and submits data to the medical control authority. Data shall be reviewed by the medical control authority professional standards review organization. Data shall be protected in accordance with section 20919(1) (g) of the code.
- (i) Protocols that ensure an appeals process of a medical control decision is in effect.
- (j) Protocols that delineate that if life support agencies routinely transport prehospital patients to hospitals outside of their originating medical control authority region, they will comply with their own medical control authority protocols.
- (k) Written procedures for the security, control, dispensing, and exchange of pharmaceuticals, intravenous solutions, tubing, and related apparatus. Life support agency medication exchange shall only take place with a participating hospital or freestanding surgical outpatient facility.

(2) Each medical control authority shall develop standards for the withdrawal of a hospital or free standing surgical outpatient facility from a medical control authority or the restoration of a hospital or free standing surgical outpatient facility to a medical control authority.

(3) Each medical control authority shall develop specific protocols applicable to the acquisition, storage, and use of drugs, intravenous fluids and medical devices. All drug and intravenous fluids shall be under the control of a pharmacist licensed in this state affiliated with a participating medical control authority hospital or free standing surgical outpatient facility.

(4) Each medical control authority considering the adoption of protocols shall comply with section 20919 (3) (a) of the code.

(5) Each medical control authority may establish an emergency protocol necessary to preserve the health or safety of individuals within its region in response to a present medical emergency or disaster in accordance with section 20919 (3) (e) of the code. Emergency protocols developed in accordance with section 20919 (3) (e) of the code shall be submitted to the department, within 5 business days, for review and shall remain in effect for not more than 60 days unless approved by the department.

R 325.22209 Medical control authority; additional standards.

Rule 209. A medical control authority may adopt protocols that require additional or more stringent standards for life support agencies, equipment, and personnel than those already required by the department to enhance its system in the interest of prehospital emergency care. If a life support agency or emergency medical services personnel within the medical control authority disagree with the proposed protocol, then the medical control authority shall provide the department with the medical and economic considerations such enhancements may have on the local community. The quality assurance task force shall review and make recommendations to the department before department approval.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22210 Medical control authority; life support agencies and personnel; compliance with protocols.

Rule 210. (1) Each life support agency and emergency medical services personnel licensed under this part is accountable to the medical control authority in the provision of emergency medical services within the medical control authority region, as defined in department-approved protocols.

(2) A medical control authority shall establish written procedures defining the process, actions, and sanctions a medical control authority may use in holding a life support agency or personnel accountable. These procedures shall include disciplinary action against a life support agency or emergency medical services personnel to assure compliance with standards of medical care, protocols, and operational procedures or to protect the public health, safety, or welfare.

(3) A medical control authority may exercise disciplinary action against a life support agency and its emergency medical services personnel that may result in the life support agency or its personnel not being permitted to provide emergency medical services care. The basis for these actions shall be for noncompliance with policies, procedures, or protocols established by the medical control authority. Such disciplinary action may include the suspension, limitation, or removal of a life support agency or its personnel to provide emergency medical services within the medical control authority region.

(4) If disciplinary action against an agency or individual under subrule (1) of this rule results in the suspension, limitation, or removal of medical control, the medical control authority shall advise the department, in writing, of such action within 1 business day.

(5) If a suspension or removal of medical control to a life support agency or individual occurs by the medical control authority, the life support agency or individual shall not operate or practice in that medical control authority region until medical control is restored by the medical control authority.

(6) If a suspension or removal of medical control to a life support agency or individual occurs, then the life support agency or individual may appeal the decision to the medical control authority. After appeals to the medical control authority have been exhausted, the life support agency or individual may appeal the medical control authority's decision to the statewide emergency medical services coordination committee. An appeal to the emergency medical services coordination committee shall be filed with the department in writing not more than 30 calendar days following notification to the agency or individual of the final determination of the medical control authority.

(7) In cases of malfeasance, misfeasance, or nonfeasance on the part of the medical control authority, the department shall implement that preserve medical control in a medical control authority region.

R 325.22337 Instructor-coordinator license renewal or relicensure.

Rule 22337. (1) Not more than 60 days before the date of license expiration, the department shall transmit to the last known address of the licensee, an application for license renewal. Failure of the licensee to receive notice for renewal shall not relieve the licensee of the responsibility for renewing his or her license.

(2) An applicant for license renewal or relicensure as an instructor-coordinator who has been licensed for the 3-year period immediately before the expiration date of the license or an applicant for relicensure, in addition to holding a current license as an emergency medical technician, emergency medical technician specialist, or paramedic, shall accumulate during the 3 years before an application for renewal or relicensure at least 30 continuing education credit hours in department-approved programs.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22338 Certification of compliance; additional documentation.

Rule 22338. (1) Submission of an application for renewal or relicensure shall constitute an applicant's certification of compliance with the requirements of this rule.

(2) The department may require an applicant or licensee to submit documentation to demonstrate compliance with the continuing education requirement. An applicant or licensee is responsible for maintaining documentation of his or her compliance with the continuing education requirement for a period of 1 year from the expiration date of the license. Failure to provide such documentation creates a rebuttable presumption that the licensee has made a false and fraudulent statement in applying for a license to practice emergency medical services. As provided under section 20958 of the code, the department shall determine if failure to provide documentation of compliance with the continuing education requirement is a violation of section 20954 of the code.

(3) Acceptable documentation of continuing education shall include all of the following:

(a) Name of the licensee participating in the program.

(b) Name of sponsoring organization and instructor-coordinator number.

(c) Title of program.

(d) Hours of continuing education credit awarded per required category.

(e) Date of program.

(f) Signature of instructor-coordinator or designee.

R 325.22354 Consolidation; severance.

Rule 22354. (1) Cases may be consolidated, for good cause, on the motion of any party or the hearing officer's own motion, in such circumstances as justice and the administration of the code and these rules require. A motion for the consolidation of cases shall be filed within 20 days after service of the notice of hearing on each party to the cases which would be consolidated. Within 10 days after service of the motion, the other parties may file a response thereto. Unless a request for oral argument is made and granted, the termination of the motion shall be made on the pleadings.

(2) Upon his or her own motion, or upon motion of any party, the hearing officer, for good cause, may order any case severed as to some or all issues or parties.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22355 Presiding officer; powers and duties; disqualification.

Rule 22355. (1) A presiding officer shall have all powers necessary or appropriate to conduct a fair, full, and impartial hearing, including the power to do all of the following:

- (a) Administer oaths and affirmations.
- (b) Rule upon offers of proof and receive relevant evidence.
- (c) Provide for the taking of testimony by deposition.
- (d) Regulate the course of the hearings, set the time and place for continued hearings, fix the time for filing of briefs and other documents, and issue subpoenas.
- (e) Consider and rule upon procedural requests.
- (f) Hold conferences for the settlement or simplification of the issues by consent of the parties.
- (g) Prepare proposed decisions, if required.

(2) When a hearing officer believes himself or herself disqualified to preside over a particular hearing, he or she shall withdraw therefrom by notice on the record directed to the director. A party who claims that a hearing officer should be disqualified to preside, or to continue to preside, over a particular hearing may file with the director a motion to disqualify. The motion shall be supported by affidavits setting forth the alleged grounds for disqualification. The director shall rule upon the motion, and the decision shall be determinative for purposes of the hearing.

R 325.22359 Discovery.

Rule 22359. (1) The same rights to discovery and depositions provided in the general court rules of this state applicable to civil cases shall apply to all hearings commenced and conducted pursuant to the code and these rules. The presiding officer shall rule on all motions relative to depositions and discovery.

(2) Discovery depositions and motions for discovery shall not be allowed by the presiding officer if they are likely to interfere with the efficient conduct of the hearing, unless serious prejudice would result therefrom.

History: 2004 MR 10, Eff. May 20, 2004.

R 325.22360 Preliminary motions.

Rule 22360. (1) Not less than 5 days before the date set for hearing in the notice, all preliminary motions shall be filed, unless the presiding officer, for good cause shown, permits the filing of such motions at a later date. These motions shall include all of the following:

- (a) Motions for a more definite statement.
- (b) Motions to strike pleadings.
- (c) Motions to amend pleadings.
- (d) Motions for accelerated judgment.
- (e) Motions for summary judgment.
- (f) Discovery motions.
- (g) Motions relative to depositions.

(2) On the date set for hearing in the notice, the presiding officer shall first hear all pending preliminary motions. He or she shall decide them in the same manner as provided for in the general court rules of the state for civil cases. Thereafter, all motions are to be made and heard at the direction of the presiding officer.

(3) After hearing all pending preliminary motions, if any, the presiding officer may hold a prehearing conference as provided for in these rules.

R 325.22363 Proposal for decision.

Rule 22363. (1) Following the conclusion of a hearing, the hearing officer, if other than the director, shall deliver to the department the official case file and his or her proposal for decision. The department shall serve the proposal for decision upon the parties by registered or certified mail or personal service, and each party shall have 10 days from the date of service of the proposal for decision to file exceptions or present written arguments to the director.

(2) Following review of the record or the proposal for decision and exceptions thereto, if any, the director shall issue an order setting forth findings of fact, conclusions of law, and his or her final order or an order for further proceedings. The department shall serve copies of the director's order upon all parties.

(3) If no exceptions are filed, the proposal for decision shall become the final order of the department, unless the director issues his or her order within 90 days from the date of service of the proposal for decision.
